PETITION FOR REVIVAL OF AN APPLICATION FOR PATENT ABANDONED
UNINTENTIONALLY UNDER 37 CFR § 1.137(b)

SIR:

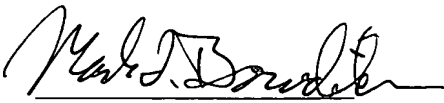

The above-identified application became abandoned for failure to timely file the U.S. national phase. The Applicant hereby petitions for revival of the application under 37 CFR § 1.137(b). Accordingly, submitted herewith is the national filing, along with the petition fee of \$750.00 under 37 CFR § 1.17(m) (the applicant claims small entity status). The entire delay in performing the national filing from its due date until the filing of a grantable petition under 37 CFR § 1.137(b) was unintentional.

The Office is invited to contact the undersigned at (202) 220-4323 to discuss any matter concerning this petition. While it is believed that no fees are due other than those noted above, the Office is authorized to charge any additional fees or credit any overpayment related to this communication to Deposit Account No. 11-0600.
